This four-hour course will help the licensed property-casualty agent understand the complexities of Marcellus Shale drilling. Denise Toth will provide a visual presentation of the drilling process, cover how companies and contractors manage their risk, explain how lessors cover their risk and discuss the insurance industry perspective.

Facilitator

Denise Toth, CPCU, ARM, ALCM, AU, AIC, CPIW, is an experienced instructor with a diverse background in the property & casualty business including claims, loss prevention, sales, consulting, underwriting, teaching and a lifelong commitment to insurance education. She has been teaching a variety of CE courses for several years, and also instructs AICPCU classes.

Attendance to the program is limited. Please mail your registration and check early. If you have any questions or need more information, call or email Cindy Shoff (800-877-0600 x 7531; cindyshoff@donegalgroup.com). Email confirmations will be sent upon receipt of your check and registration.
