

About Our Organization . . .

We trace our origins to the formation of the Donegal and Conoy Mutual Fire Insurance Company in Marietta, Pennsylvania on May 13, 1889, and have continuously served the insurance buying public since that date. The organization has continued to grow and has expanded to the point where today there are nine insurance companies and a publicly traded insurance holding company, Donegal Group Inc.

Our companies conduct business through a network of independent insurance agencies and offer a wide selection of insurance products including Businessowners, Commercial Multiperil, Automobile, Homeowners, Boatowners, Workers' Compensation and other related coverages.
